THE SAFE PROGRAM

SHERIFF FIRE-EMS POLICE

What is the SAFE Program?

The SAFE Program is a means for allowing better communication between Santa Rosa County Emergency Responders and residents with special needs, or other disabilities, regarding critical information before an emergency occurs.

How does it work?

When residents enroll in this program, our dispatchers will input critical information into our system. This information will then be shared securely with other First Responders in the county. Should an emergency arise, the Sheriff's Office, EMS, Police, and Fire will have all the information that was provided to better keep residents safe.

Who should enroll?

This program is for all Santa Rosa County residents with a disability or special needs.

Residents who might benefit from enrolling in the SAFE Program Include:

Individuals with

- Autism
- Down syndrome
- Alzheimer's disease
- Deafness
- Blindness
- Other communication disorders
- Other mental disabilities/limitations.

How to enroll

Visit the Sheriff's Office website. Under the programs section, residents can find the SAFE Program. After downloading the form, email the completed form to Dispatch@SRSO.net

After enrolling in the SAFE Program, residents may go to their local district office to receive 3 program decals. These decals will serve as an identifier to First Responders. Decals should be placed on the driver side rear window and a home entry point.
