We Can Help.

INTIMATE PARTNER VIOLENCE IS ABOUT POWER AND CONTROL...

DID YOU KNOW?

Leaving an abusive intimate partner can be dangerous. Even if a partner hasn't been physically violent yet, the possibility of losing power and control over their partner can create a highly emotional response that can lead to physical assault and even homicide.

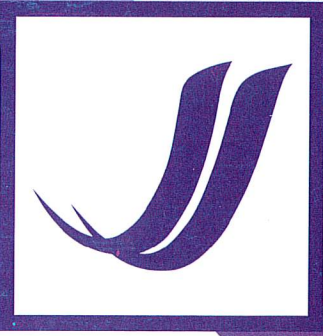

If you or someone you love is experiencing intimate partner violence,

STEP #1

Call the FavorHouse Crisis Hotline at (850) 434-6600 to create a safety plan. Trained advocates are standing by 24/7 to provide informed advice and next steps.

Every year, hundreds of people go from VICTIM to SURVIVOR with the help of FavorHouse.

IT'S NOT YOUR FAULT.
