SAFE Program

One Team One Goal

Public Safety-Sheriff's Office-Ambulance-County Commissioners-Emergency Management-Police Departments-Fire Departments-School Board

SANTA ROSA COUNTY

What is the SAFE Program?

The SAFE Program is a means of better communication between Santa Rosa County first responders and residents with special needs before an emergency occurs.

How does it work?

When residents enroll in the program, our dispatchers input critical information into the emergency system, and families place SAFE decals on their homes and vehicles. Should an emergency arise, first responders see the sticker, and know to approach with extra care. The Sheriff's Office, EMS, Police, and Fire can access the information provided by the family, helping to ensure a positive, safe experience for all involved.

Who should enroll?

Any Santa Rosa County resident who may not respond typically in an emergency situation. All medical conditions and disabilities are encouraged to enroll!

- Autism
- ADHD
- Down Syndrome
- Alzheimer's disease
- Brain injury
- PTSD
- Diabetes
- Autoimmune disorders
- Deaf/Blind
- Other communication disorders
- Other mental disabilities/limitations

How to enroll:

Scan the QR code for more information and to enroll your loved one:

Decals will be mailed to residents; one for a home entry point, and two for vehicles. Vehicle stickers should be placed on the driver side rear window. For replacement stickers or to update information, please email pio@srso.net.
